FOREWORD

Our high school memories will always be very special. Within these walls our first years of learning were fostered and our friendships built to live forever in our hearts. Much that has taken place during these last four years at W.B.H.S. has been captured in pictures and writing on the following pages. These hold for us some of our most meaningful remembrances. Although we will soon embark upon our separate journeys, each of us will never forget that part of our lives spent here at West Bridgewater High School.

FRIENDSHIP

Oh, the comfort —

The inexpressible comfort of feeling safe with a person,

Having neither to weigh thoughts,

Nor measure words — but pouring them all right out — just as they are —

Chaff and grain together —

Certain that a faithful hand will take and sift them —

Keep what is worth keeping —

And with a breath of kindness

Blow the rest away.

Dinah Maria Mulock Craik

EDITORIAL

Man is caught in a never-ending revolving wheel, which he himself generates, and which creates new areas of learning and progress for him. His entire life seems to be dominated and controlled by computed machines, and by an increasing pressure to gain momentum and spin that wheel faster so as to continue perpetual learning and discovery.

Where does man draw the strength that he needs to carry out all that is required of him?

Throughout our years at W. B. H. S. we have obtained knowledge in areas of art and science, but we have also learned how to relate to people and the very important meaning of the word "friendship." Troubles seem so much less and happiness that much greater when shared with others. Wars have never been won without allies nor books written without inspiration or help from friends.

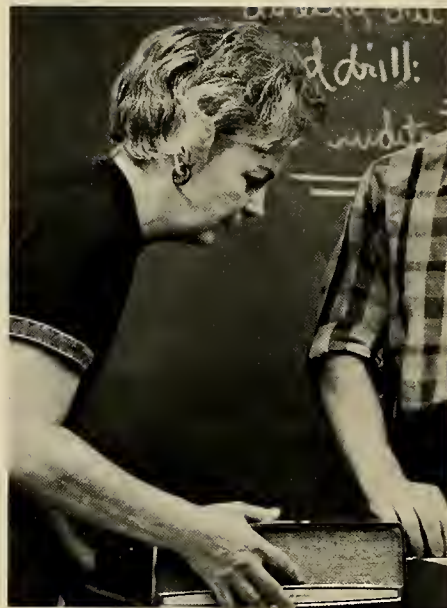

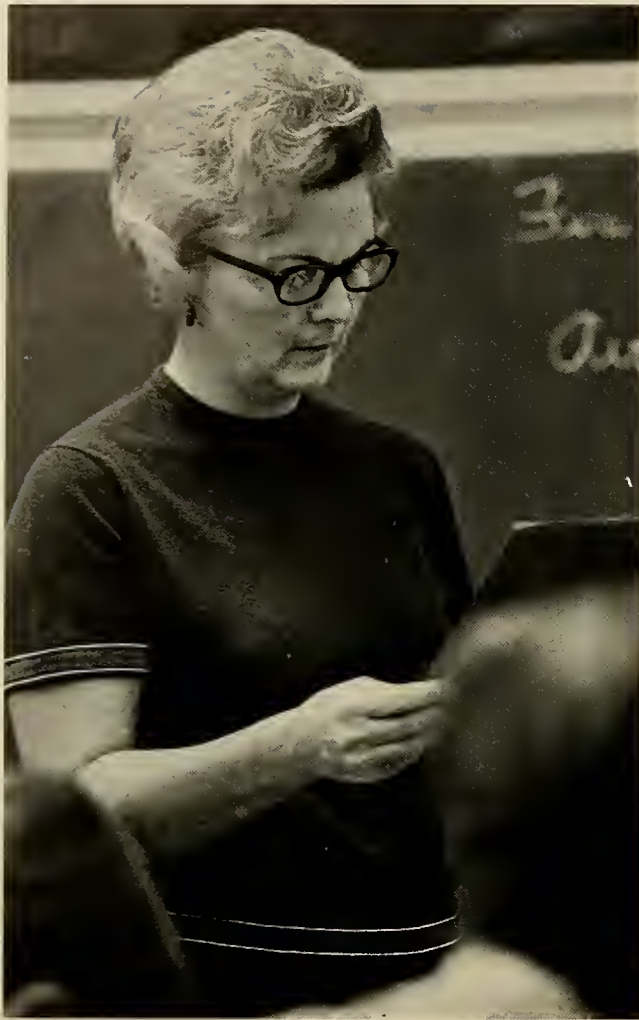

So, as each of us leaves as graduates of West Bridgewater High School, each out to seek his own destiny, let us never get caught in life's turning wheel without a friend with whom we can share our knowledge and thoughts. Thus, we will know the happiness of understanding and companionship.

D'EDICATION

During our years in high school this woman has willingly given of herself in everyway as a teacher, friend, and advisor in extracurricular activities. Her inherent ability to communicate and convey knowledge in her gracious manner has helped us in the Drama Club as well as in the classroom. Her warm and sincere interest in our problems has made the work of our high school years seem less severe.

She has shown us how to appreciate life through her own example of sensitivity and awareness here at W.B.H.S. And so, it is our privilege that we proudly dedicate this, our 1970 Climber, to you Mrs. Murphy.

. . . A perceptive soul

An understanding heart . . .

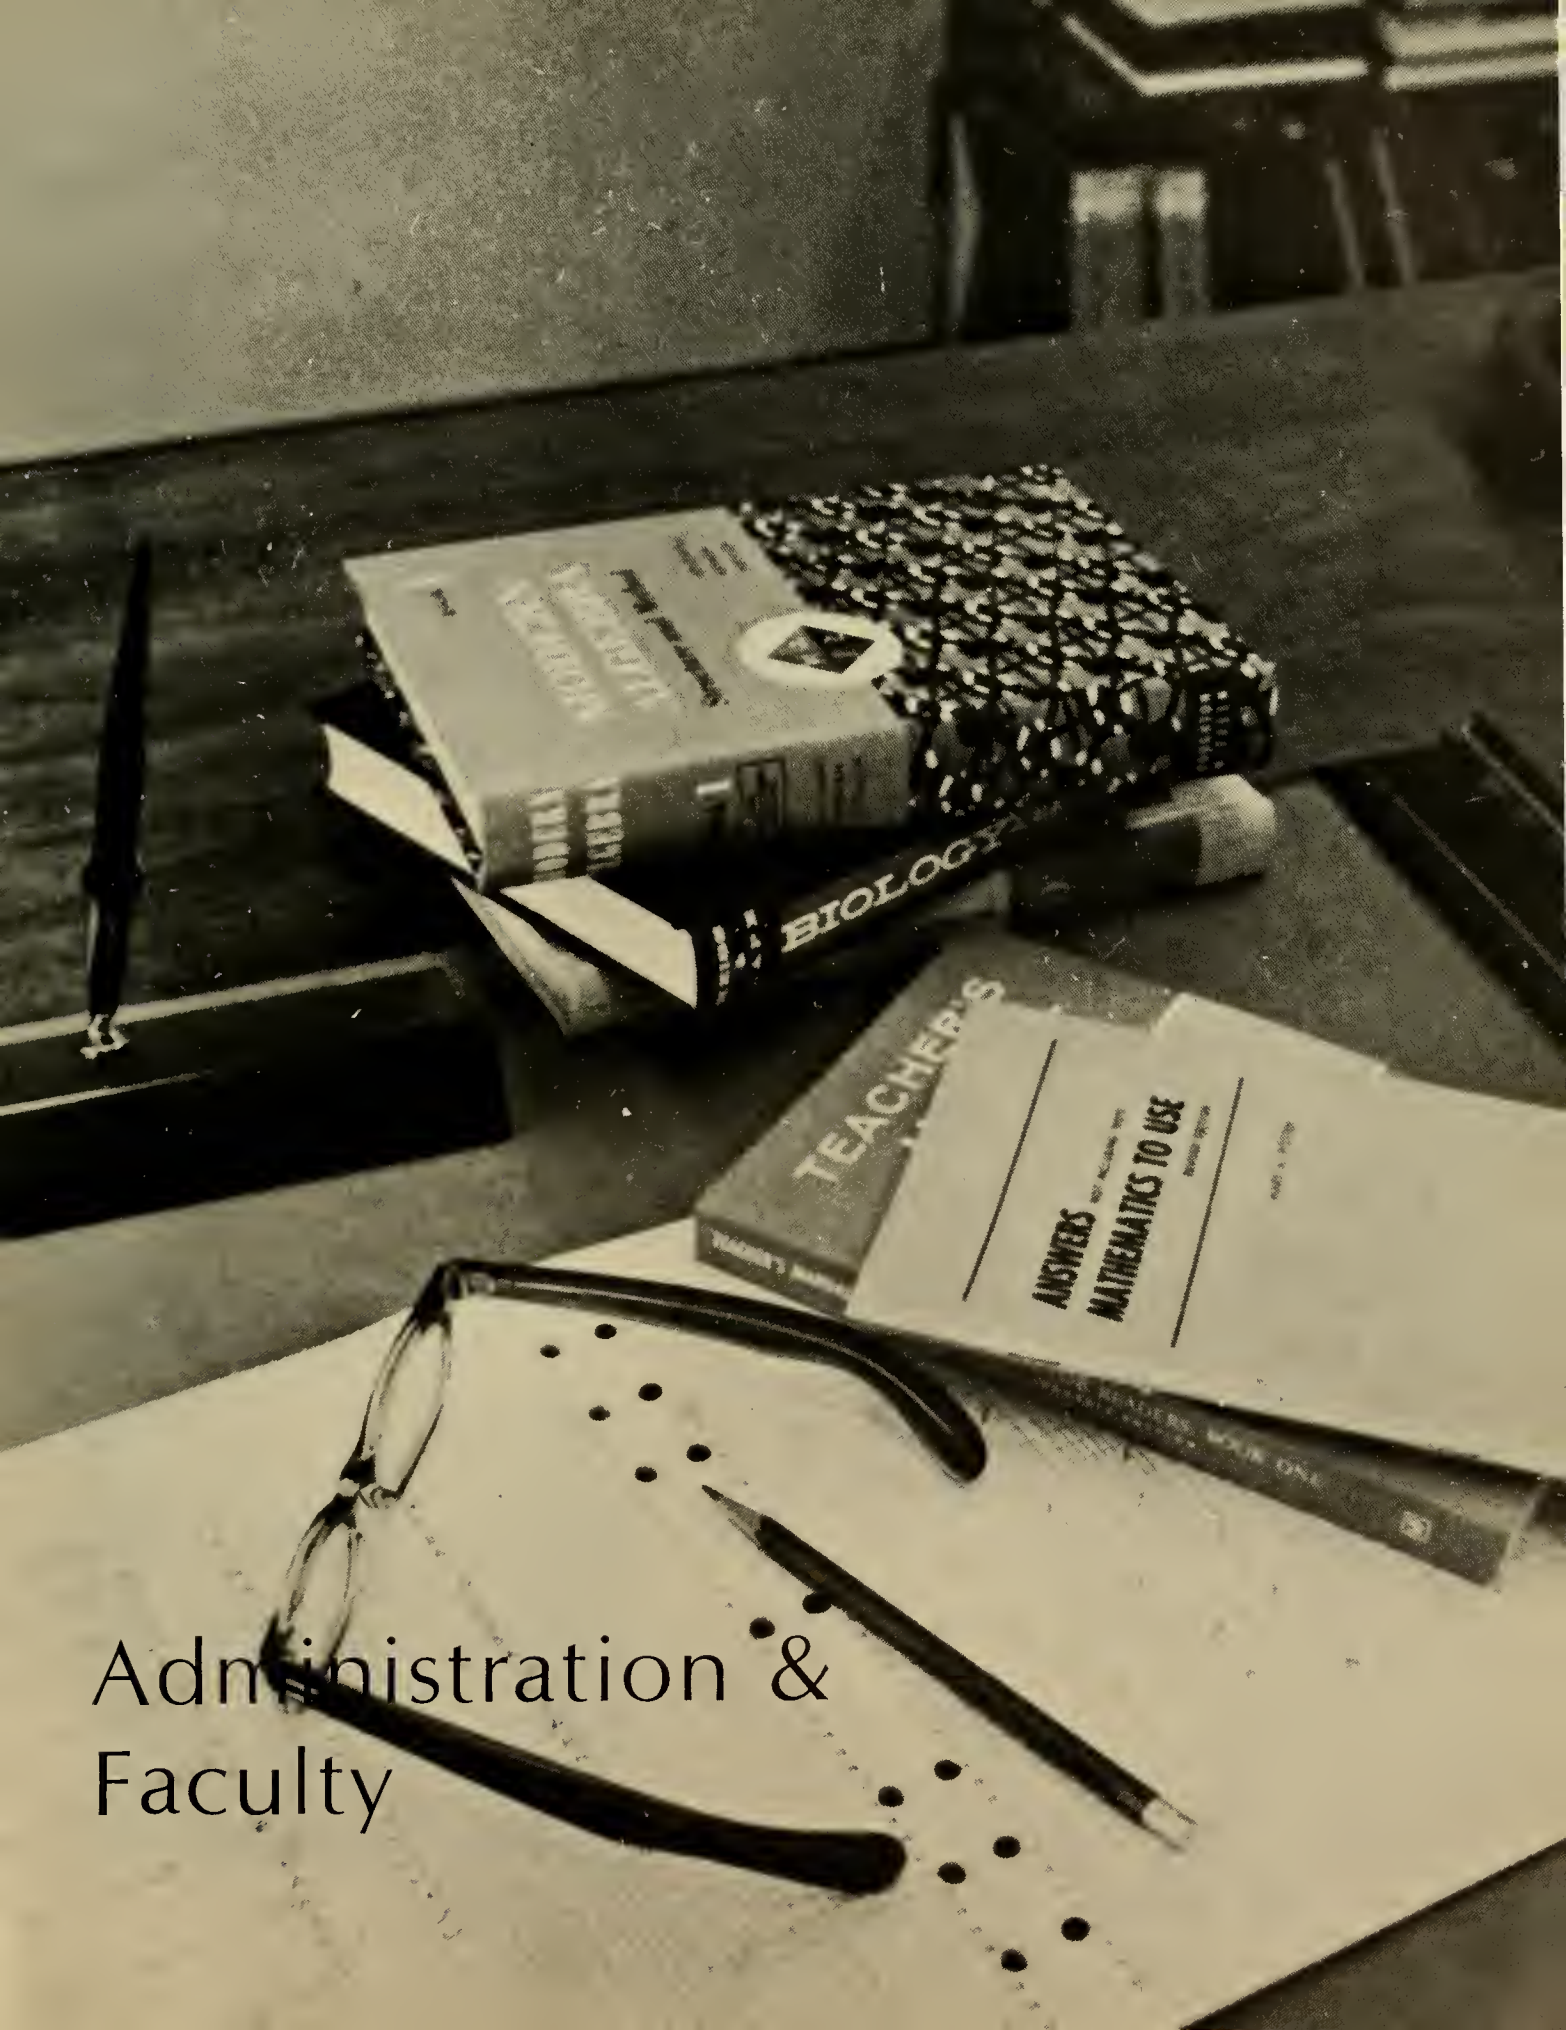

A dedicated teacher . . .

'Tis education forms the common mind; just as the
twig is bent the tree's inclined.

Alexander Pope: Essay on Man

Administration & Faculty

MESSAGE TO SENIORS

We have spent four years together and I feel our association has been pleasant and worthwhile. The attempts our school has made to allow you to be responsible, reasonable individuals is really beginning to show progress. You have already been faced with many problems, both personal and social, which have been rather serious and, in most cases, your judgement has been sound. I am referring here to specific problems that are really new to your generation such as whether to use drugs or not and the protest movement. From now on, life will become even more serious for you and the real decisions must be faced with mature judgement and a clear mind. I sincerely hope that our efforts at West Bridgewater High School will enable you to accomplish this end.

May I wish you happiness and success in the future.

Sincerely,
THOMAS G. BURDIN, Jr.
Principal

To The Class of 1970

The future of our world is only as certain as we are of it. I hope you will fulfill your responsibilities as fiercely as you have sought your freedoms.

James Harrington
Assistant Principal

Congratulations, members of the Class of 1970. You have completed the first twelve years of your academic education. Most of you have made plans to continue on with further schooling. Should others decide later to seek additional study, do call on us to help you locate and gain admission to a school or college. Perhaps we may also help with job placement work?

These are very troubled times filled with many seemingly unsolvable situations. However, experience and history confirm that these or other problems are ever present in the world. They can best be met and conquered if they are looked upon as challenges or opportunities.

You have received a start from a good home and parents anxious to have you enjoy the advantages of the "good life." It is not purely accidental that responsibilities, which may appear in the form of obstacles, are closely tied in with these opportunities. Generally, the happiest and most successful people have grown stronger and accomplished the most satisfactory lives by preparing for, standing up to, and overcoming these obstacles.

Hang on to your ideals, you will need the help and reassurance that they can provide. But, be willing to do your share of the work that is necessary to achieve the goals that you seek. Good luck and God bless you.

The snow kept falling as we trudged to rehearsals during our February vacation. Although at times we were discouraged, the driving efforts of our co-ordinator, Mrs. Murphy, pulled us through. Then on Saturday night, March 1st, our work was shown on stage. We really socked it to 'em with our whipped cream pie and our Laugh-In skits. The overwhelming enthusiasm and participation of our class helped make our plays a success.

"In play there are two pleasures for your choosing — The one is winning, the other losing."

"THE FIRST CROSS COUNTRY TEAM
WITH A GIRL MANAGER."

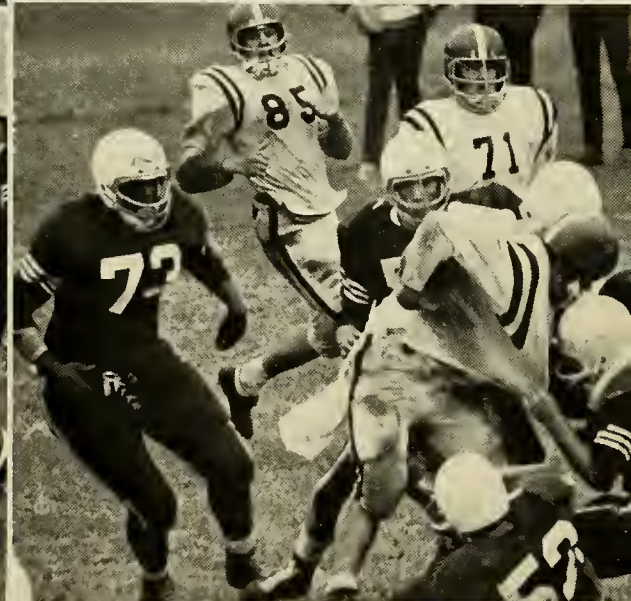

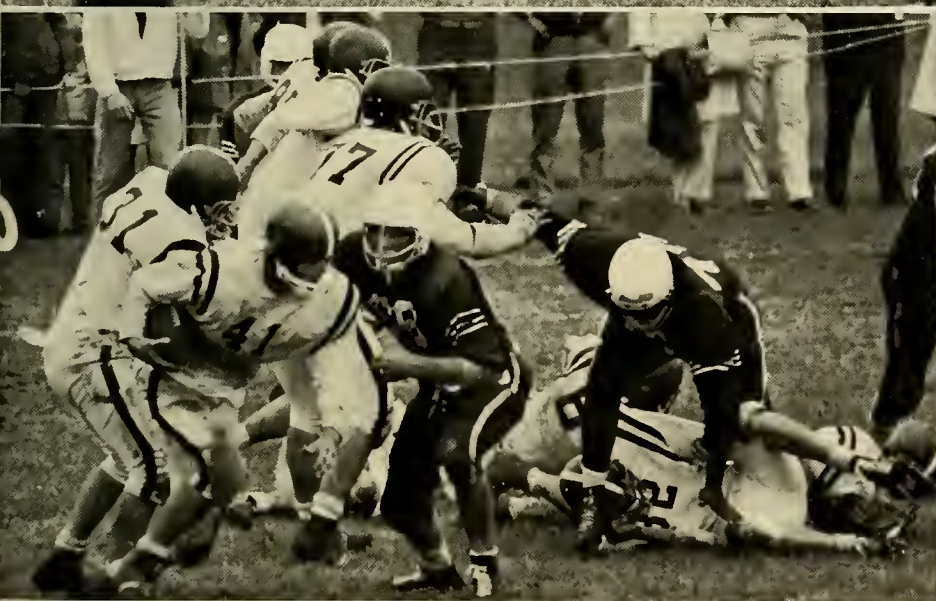

FOOTBALL

The W.B.H.S. football team of 1969 under the direction of coaches Rapp, Bromley, and O'Donahue, led the Wildcats on to the best record in three years, and no spectator could say that the Westies didn't fight right to the very end. This, in itself, is commendable and, therefore, W.B.H.S. should be, and is proud of its 1969 football squad.

What you theenk this EE lookee like?

The object of the game is to keep your glove open and your mouth closed!

Slugger Barb

Brownie!

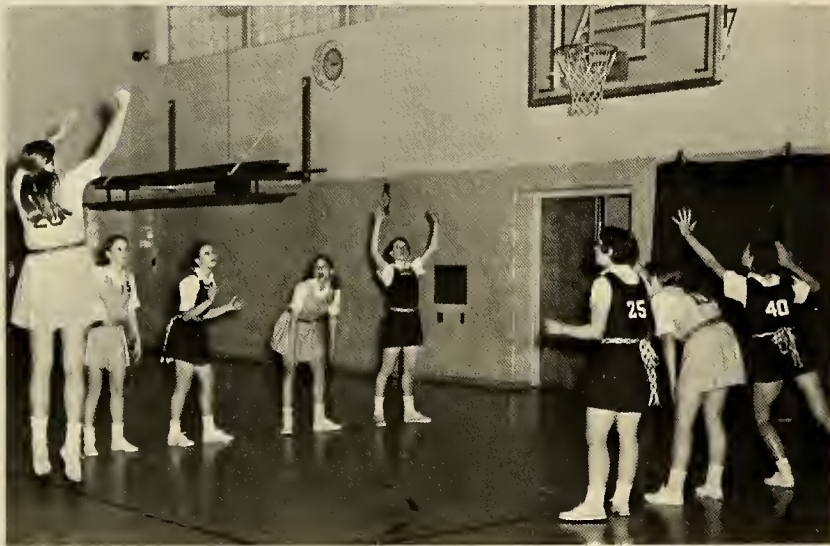

What is . . . And what will never be.

Mac puts it in

Getting ready for the rebound.

This has been a difficult and exciting year for the Girls' Basketball team. They had to adjust to a new coach and a new set of rules. This was the first year that the rules for Boys' Basketball have applied to the girls' team. With four of the five starting players graduating, it is hoped that more girls will join the team next season. We all wish you the best of luck!

Dancing Lessons?

Sharon gets the rebound.

A dedicated coach.

J.V. supports the varsity.

Pat for two more.

Remember . . . how simple life
use to be.

Coming down the Home Stretch . . . Cheryl is in the lead

Kathy shows perfect form . . . for a game of
golf.

The Hockey Team in Action!

Hail, Hail, the gang's all here!

The field hockey team, coached by Mrs. Hanssen, had a very successful season. Their final record was three wins, three ties, two losses. Our top scorer for the season was a senior, Pat Conniff, who scored five goals. The most important victory was over Hanover. The team had not beaten them since the seniors first began playing together in the 8th grade. The starting forwards of the team were Co-Captain Pat Coniff, Sue MacDonald, Sharon Cranshaw, Cheryl DeVine, Jean Piver, and Co-Captain Nancy Ohlson. The defense was Barb Cox, Sue Johnson, Judy Shore, Kathy Dwyer, and Cathy Perkins. The seniors of this year wish the team of next year a successful season.

Coach Hanssen

Beany gets ready for the pass!

The object of the game is hitting each other's legs.

Barb waits for some action

The graduating class of 1970 sincerely thanks . . .

– Mr. Ken Murphy for all his many suggestions as well as for photographing our activities.

– Mr. Harrington, our vice principal, for all his patience and for allowing us the time to meet the requirements of the publication.

– Mrs. Kent for her help with the business staff and

– Miss Davenport for all her time and advice. We could not have done it without them.

– The people of West Bridgewater who gave so generously in order that we might make this publication possible.

From the "members" '70

Patty Conniff

Denise Macomber

Denise Duquette

Recollections of homework assignments and term papers will soon fade away; old tests and battered notebooks will be discarded. But the friendships that were gained and the memories of the good times that were enjoyed will remain for the rest of our lives. The years spent at West Bridgewater in learning, gaining experience, and living were not wasted. They were preparation for the life ahead, whatever it will be. Happy memories will survive the school year of 1970. Memories of accidents and anecdotes. But most important, the memories of people — some acquaintances to be renewed, others, abruptly terminated. A meeting of glances, a transfer of thoughts, a merging of laughter. *West Bridgewater* — a shared adventure.
